Thank you!

Lutheran Campus Ministry at WSU, U of I and EWU all are so grateful for your support! Through Lutheran Campus Ministry, many things are happening to further the care and the faith formation of students. Thank you, EWAID Synod, for your ongoing care and support of this ministry. Without your dedication and support, we could not have these ministries.

Evangelical Lutheran Church in America
God's work. Our hands.

Lutheran Campus Ministry at Eastern Washington University collaborates with our full communion partners, the United Methodist Church and the Episcopalian Church, to create ELM Campus Ministry

Food for Body – Monday nights we gather to share a meal. In the land of fast food, packaged noodles and cafeteria fare a homecooked meal can be heaven on earth.

Food for Minds – Don't leave your brain at home! Questions are encouraged; logic and reason are wanted.

Food for Faith – Students of all Christian denominations, all religions, spiritualities, or none, are welcome to explore faith and life topics.

Food for Community – Our table conversation format allows for deep caring connections which reach beyond our gathering to all of campus life.

Food for All – ELM wants all to be fed! We are the clean-up crew at the monthly free community meal and grocery give away, Feed Cheney. We partner with the campus food shelf to provide hygiene items. Service to our neighbors is part of our identity.
